COMING EVENTS

1. The following committees will meet today at 1:15 p.m.:

   Kline Roberts' Foundation Committee — Parlor 6.

2. **TODAY** — Last introduction of ten candidates for the Boards of Directors and Trustees.

3. **March 10** — Club's Annual Election. Read "Voting Instructions" in next week's Bulletin.

4. **April 21** — Students World Affairs Program and Institute.

5. **May 2, 3 and 4** — District Conference at Salt Fork State Park Lodge. (Read: "1975 District Conference?" below.)

6. **May 9** — Spring Dinner-Dance in honor of President Hal Eibling and his lovely Ev.

* * *

THOUGHT FOR TODAY: Andrew Carnegie, asked which he considered the most important factor in industry: labor, capital or brains, replied: "Which is the most important leg of a three-legged stool?"

In this world of ours, it takes a careful balance of intelligence, hard work and capital to make a success of life.

* * *

1975 DISTRICT CONFERENCE?

We do know that it's scheduled for 2, 3 and 4 May (1975) at Salt Fork State Park Lodge. It has been reported (verbally) that: 1) a District Golf Tournament will be held on Thursday, 1 May, 2) our Club has been allocated 26 Lodge and Cabin accommodations, 3) cost of lodge accommodations ($100 per couple), and 4) cabin accommodations ($85 per couple, with two couples per cabin). Beyond that??

While awaiting registration forms and needed information relative to registration (including Golf Tournament), won't you please call or visit Rotary Office to let us know you will be attending — hopefully with your ladies.

As soon as registration forms are received at the Rotary Office, you'll get yours by mail to: 1) complete the registration forms (with required checks) and 2) return (mail or deliver) them to us.

Governor Chuck Morrison has prepared an unusual program, both for Rotarians and ladies. **LIVE ROTARY** for three days at Salt Fork. It'll be three days of complete enjoyment. Call us at 221-3127.

HAPPY BIRTHDAY GREETINGS

A. Bill Taylor	Mar. 4	Jerry Anglim	Mar. 8
Earl Bradley	Mar. 7	Chet Guffey	Mar. 8
Bob Greene		George Matheise	Mar. 8
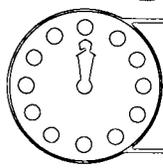

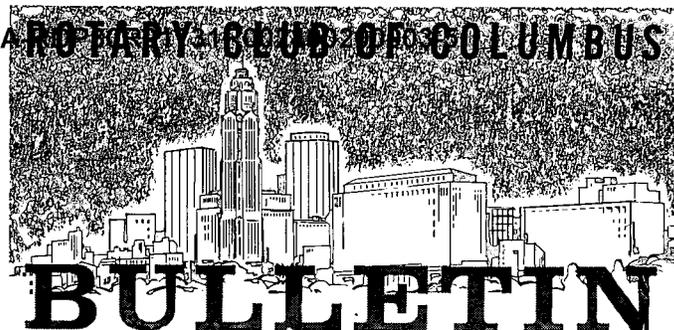

Mr. Charles E. Moore, Supervisor of the six Senior Citizens Recreation Centers operated by the Columbus Recreation and Parks Department, will conduct today's program: "**Rhythm-Aires and Swinging Seniors**".

Mr. Moore received both his B.S. (1950) and Masters (1957) degrees in Physical Education from OSU, and has been employed by the Columbus Recreation and Parks Dept. for the last 24 years.

Mr. Moore will bring with him two groups of Senior Citizens from the McDowell Senior Citizens Center, who will, undoubtedly, tell and show some of us that you are old only when you think and act as if you're old. The youngest member of the two groups is 64, and their average age is 70 (13.5 years older than the average age of members of our Club).

The ten Rhythm-Aires were formerly professional musicians working in teaching, symphonic or dance-band fields — and still enjoy performing, principally to the "older" set. Their repertoire consist mainly of tunes popular in the 20's, 30's and 40's, with a sprinkle of newer numbers.

The Swinging Seniors, also retirees, have been square dancing for about four years, and most of them did not start square dancing until after 60. Like the Rhythm-Aires, the "Swingers" have performed for center programs and church and rest-home groups. Ohio State Fair and the Ohio Theater have been also claimed their "stamping grounds."

If you're overtaken by nostalgia at today's meeting, give credit to the "youngsters".

NO 1975-76 CLUB ROSTER

In the interest of economy (about $5,000 worth). **NO** Club Roster will be published for Rotary year 1975-76.

Club Roster changes will be published in the Bulletin for your convenience in keeping your Roster current. Changes in any of the information about you should be made known to the Rotary Office.

You keep us current, we'll keep you current.

TWO WEEKS AGO (17 Feb.)

The U.S.A. is a giant in the world; however, a giant
must have eyes or it will stumble into difficulties, **Lt.
General Vernon A. Walters,** CIA Deputy Director, told
a joint meeting of Rotary-Kiwanis Clubs. CIA, he said,
is the "eye of the giant" — the eye which, if blinded by
needless probing into top secrets by outside agencies,
will frighten our allies and please leaders of countries
who do not wish us well.

General Walters, who speaks eight languages and has
been an advisor to many Presidents and Ambassadors
in his 34 years of service, pointed out that many people
think of CIA as an instrument of war. He calls the
agency "a weapon of peace."

Because of CIA's monitoring capabilities, we have
been able to reach an agreement with USSR on inter-
continental ballistic missiles, he said; and expressed
optimism for the future of international relations, espe-
cially with Brazil, which he calls a rising super-power.

General Walters quoted CIA's motto: "You shall
know the truth and the truth shall make you free."

BUSSING TO OHIO UNION ON 17 MARCH—If you're
interested in being bussed to and from the Ohio Union,
where our Club will meet on 17 March, answer ques-
tionnaire on your ta

The basic philosophy of Rotary stems from man's
Concern for Others — concern for others who are less
fortunate than we.

Just before the advent of the New Year, a youthful
member of our Club was motivated by his **Concern for
Others** when he graciously offered to donate two oil-
gas producing wells to our Foundation's Cap Ingalls
Fund, a special fund created for the purpose of gen-
erating additional income through investment of the
corpus (which can't be invaded) for the support of
worthy youth projects in Franklin County. The wells,
with a probable, current market value of between
$5,000 and $10,000, had been earning (for former owner)
several hundreds of dollars annually.

Were **Cap Ingalls** alive today, he would be very proud
of the anonymous donor — just as he would have been
proud of **Past President Wally Phillips** who initiated
the "Cap Ingalls Fund" program in Cap's memory, and
of Prexy Hal Eibling who has continued to give special
emphasis to the same great program.

A "tip of the hat" (Army style) to the anonymous
donor! This Vitally Involved Rotarian, through his Con-
cern for Others, is helping to assure youth of our com-
munity that **their concern is our concern.**

Won't you please become a "Cap Ingalls Fund Con-
tributor" by making a minimum contribution of $500
to the Columbus Rotary Foundation Cap Ingalls Fund?
Become the fifty-first, fifty-second . . . . . . member of
this exclusive, Vitally Involved group of Rotarians.

NEW POLICIES ON
ROTARY ATTENDANCE

The Board of Directors recently adopted two policies
relative to attendance at our Club meetings.

One new policy implements a long-standing policy of
the Board of Directors of R. I., which states that mem-
**bers must remain at each Club meeting at least 60% of
the time scheduled for such a meeting in order to get
credit for attending that meeting. Officially, each meet-
ing of our Club starts at 12 Noon and ends at 1:15 p.m.
Therefore, members are required to remain at each
meeting until 12:45 p.m. — if they expect to get credit
for that meeting.**

The other policy deals with make ups. **Without spe-
cial permission from the Board of Directors, no member
of our Club may make up more than 30% of Rotary
meetings during any six-month period with other Ro-
tary Clubs in Franklin County.**

Rotarians exemplify Service and Fellowship. The
degree of Service rendered to our Club and community,
and the type and frequency of Fellowship enjoyed by
meeting weekly with fellow Rotarians of our Club, are
related, inseparateably, to sustained attendance at Co-
lumbus Rotary.

That's what Rotary is all about!

GREAT, FORMER CLUB PRESIDENTS
HAVE "RE-UNION"

Inimitable **Jimmy Hull** was President of our Club in
1964-65 when he sat next to then Kiwanian President,
Pat Kirwin, during the 1965 joint Rotary-Kiwanis
meeting.

Just by sheer coincidence, these two, great Club
Presidents had an unplanned "re-union" at the recent,
joint Rotary-Kiwanis meeting. They found themselves
seated at the same table, feeling mutual nostalgia — of
